Stay Hydrated!

Our non-alcoholic Beverage Station is an excellent addition to our bar packages. Let us take care of keeping your guests hydrated while they enjoy their cocktails, dance on the dance floor, and pose at the photo booth!

This service includes Ice Tea, Lemonade, and Cucumber Infused Water for up to 100 guests and 4 hours. We will provide the beverage dispensers, the drinkware and napkins, as well as options for sweeteners and sugar. While this is a self-serve station, our bar staff will oversee this area to ensure that the beverage dispensers remain full for the entirety of your reservation.

Please Note

* **GARNISHES**

Select up to 3 garnishes from the following: cherries, limes, olives, lemon peels, orange peels, mint, rock salt, tajin, umbrellas

** **MIXERS**

Select up to 4 mixers from the following: coke, diet coke, sprite, ginger ale, cranberry juice, pineapple juice, sweet & sour mix, tonic, club soda

*** **DRINKWARE**
